[COLUMBIA, SC – 10/30/2008]
Mikell Murray and Fred Fabian talk with Mike Switzer, host of "South Carolina Business Review," about technology in today's lifespaces and the industry's evolving business dynamics in the present economic environment. The interview will be broadcast Wednesday morning, November 19, 2008, at the conclusion of Morning Edition (7:52AM) on SC ETV Radio.

Permission to use the recorded session granted by SCETV.

About South Carolina Business Review

The South Carolina Business Review, hosted by Mike Switzer, features news and interviews from South Carolina's public companies and business leaders. Throughout the past two decades, the program has received numerous accolades from business and journalistic organizations. South Carolina Business Review can be heard each weekday morning on any of the eight National Public Radio (NPR) stations in South Carolina. Find South Carolina Business Review online at www.scetv.org/radio/programs/s_c_business_review.

About eLifespaces

Providing contracting, security and audio visual (A/V) services over two decades, the company directors and technical practitioners hold multiple licenses and certifications in the construction, low voltage cabling, electronic, security (both fire & burglar), and electrical contracting. As Design & Installation Contractors, their goal is to make the technology in your lifespaces – intuitive, invisible, and incredible. Whether its videoconferencing, ISF® Video Calibration, THX® Certified room construction, HAA® acoustic calibration or any number of other specialized requirements, let their team of Industry Certified Professional Designers and Practitioners address your technology needs. eLifespaces holds many industry awards, the most recent of which was winner in the Consumer Electronics Associations Mark of Excellence Awards in multiple categories. Find eLifespaces online at www.elifespaces.com.
