## eLifespaces Hosts Charleston Trident Home Builders Association's "Builder After Hours"

[CHARLESTON, SC – 6/17/2008] – Over fifty members and guests of the CTHBA came out to this month's "Builder After Hours" hosted at eLifespaces' new facilities on Meeting Street.

Members took advantage of the reference level Home Theater, the audio/video calibration room, not to mention the number of Wii contests that broke out at the Gaming display!

The objective of the "Builders After Hours" is to have fun and be the membership public relations arm of the CTHBA. The "After Hours" program promotes general membership

services and enhances goodwill for the CTHBA in the community. It is an effective forum to assist in the recruitment of new members through personal contacts, membership involvement, and to encourage involvement, awareness and maximum member retention.

This year, Lifespaces, Inc. and its group of technology contracting companies, eLifespaces and eSecurity, are proud to further assist the CTHBA and the many other fine membership organizations by sponsoring its 2008 Membership drive. Grand prize will be a 60" High-Definition Pioneer flat screen television along with a Super Bowl party!

"I truly enjoy our involvement with CTHBA," said Frank Smith. "What a great organization and one that our company is proud with which to be associated."

#### ***About CTHBA***

The Charleston Trident Home Builders Association is a non-profit organization of professionals dedicated to promoting homeownership through networking, education, advocacy and community service. For further information please call 843.572.1414. Find CTHBA online at [www.charlestonhomebuilders.org](http://www.charlestonhomebuilders.org).

#### ***About eLifespaces***

Providing contracting, security and audio visual (A/V) services over two decades, the company directors and technical practitioners hold multiple licenses and certifications in the construction, low voltage cabling, electronic, security (both fire & burglar), and electrical contracting. As Design & Installation Contractors, their goal is to make the technology in your lifespaces – intuitive, invisible, and incredible. Whether its videoconferencing, ISF® Video Calibration, THX® Certified room construction, HAA® acoustic calibration or any number of other specialized requirements, let their team of Industry Certified Professional Designers and Practitioners address your technology needs. eLifespaces holds many industry awards, the most recent of which was winner in the Consumer Electronics Associations 2008 Mark of Excellence Awards in multiple categories. Find eLifespaces online at [www.elifespaces.com](http://www.elifespaces.com).
