

We Are Moving!!

Some of you may have heard that there was a possibility that the State of SC would be taking the eLifespaces' building using eminent domain powers, the purpose of which would be to demolish our building to make way for a rail to service the new port facility at the former naval base.

Well, the story is true and it is now official.

Since learning of their plans in 2014, we have repeatedly spoken out as well as submitted written opposition to this project (once believing that it would have an impact) with the Army Corps of Engineers. Our neighbors AND the City of Charleston exhausted similar efforts, all of which could not prevent this project from forging ahead.

A few weeks ago, we were served with the official condemnation notice, followed the very next day by an eviction notice... our state at its efficient best. Be that as it may, we will be moving to a facility literally across the street (1808 Meeting Street Rd., Suite A, Charleston, SC 29405) on December 1, 2017. Our mailing address will remain the same at P.O. Box 21750, Charleston, SC 29413-1750 as will our phone number (843-577-5644) and fax number (843-577-5645). Please update your records to reflect the change in our *new shipping address*:
